

Compassionate Care  
for Women

## Consent for Compliance with Prenatal Care

Patient: \_\_\_\_\_ DOB \_\_\_\_\_

- \_\_\_\_\_ 1. I understand that I need to be compliant with my office visits, tests, and outside referrals ordered by the OB/GYN physician and/or associate in order to receive prenatal care.
- \_\_\_\_\_ 2. I understand that if I am not able to attend a scheduled appointment, I have to call the day before and ask to be rescheduled for the next available date, on the condition that the physician considers this safe for me and my baby.
- \_\_\_\_\_ 3. I understand that missing an appointment without notification may result in a "no show fee" \$80.00 and a warning for discontinuation of prenatal care.
- \_\_\_\_\_ 4. I am aware that if I miss 2 appointments or fail to follow ordered tests, consults, or physician recommendations, the physician has the right to discontinue my prenatal care at any time and will not be held liable for any complications that can occur to me or my baby.
- \_\_\_\_\_ 5. I understand that the physicians at this office deliver at Sunrise Hospital.
- \_\_\_\_\_ 6. I understand that the physicians of this office cannot offer me the option for a trial of Vaginal Delivery after Cesarean Section ("VBAC").
- \_\_\_\_\_ 7. If, as a part of your treatment plan, your condition may require a transfusion with blood / blood by products - would you accept such a transfusion? YES \_\_\_\_\_ / NO \_\_\_\_\_  
If your position on transfusions changes during your care, please notify the physician immediately.
